By Dr. Jane Doe

Publisher: ABC Press

Publication Date: January 1, 2023

World trade is a complex and dynamic system that has a profound impact on the global economy. In this book, Dr. Jane Doe provides a comprehensive overview of the world trade system, from its history and evolution to its current challenges and opportunities.

Doe draws on her extensive experience as an economist and trade policy expert to provide a clear and accessible analysis of the markets, power, and politics of world trade. She explores the role of trade in economic growth and development, the impact of trade on inequality and poverty, and the challenges posed by globalization.

This book is essential reading for anyone who wants to understand the global trade system and its impact on the world economy. It is a valuable resource for students, scholars, policymakers, and business leaders alike.
