The chapter begins with the Undertaker arriving at the Phantomhive manor. He's been summoned by Ciel, who needs his help to defeat a new threat. The Undertaker is initially reluctant, but he eventually agrees to help.

Ciel and Sebastian explain the situation to the Undertaker. They tell him that a group of rogue Grim Reapers are planning to attack London. The Grim Reapers are led by a powerful demon named Claude Faustus.

The Undertaker is shocked by this news. He knows that Claude is a dangerous opponent, and he's worried about what will happen if he's not

stopped. He agrees to help Ciel and Sebastian defeat Claude, but he warns them that it will be a difficult fight.

The three of them set out to find Claude and the rogue Grim Reapers. They eventually track them down to a warehouse in the East End of London.

A fierce battle ensues. Ciel and Sebastian fight valiantly, but they are no match for Claude's power. The Undertaker steps in to help, and the three of them together are able to defeat Claude.

With Claude defeated, the rogue Grim Reapers are scattered. The threat to London is averted, and Ciel and Sebastian are safe.

The Undertaker returns to his funeral parlor, satisfied with a job well done. He knows that Ciel and Sebastian will continue to need his help in the future, and he's ready to assist them in any way he can.

The Undertaker's Motives

The Undertaker's motives in Black Butler 173 are complex. He initially appears to be helping Ciel and Sebastian out of a sense of duty. However, it is later revealed that he has his own reasons for wanting to defeat Claude.

The Undertaker is a former Grim Reaper who was cast out of the Grim Reaper Dispatch for breaking the rules. He has a grudge against the Grim Reapers, and he wants to see them all destroyed. He sees Claude as a threat to the Grim Reapers, and he is determined to stop him.

The Undertaker is also a powerful demon. He is not as strong as Claude, but he is still a formidable opponent. He is able to use his powers to

manipulate the dead, and he is also a skilled swordsman.

The Undertaker is a complex and enigmatic character. He is not always easy to understand, but he is always interesting. He is a powerful ally to Ciel and Sebastian, and he is sure to play a major role in the future of the series.

The Significance of Black Butler 173

Black Butler 173 is a significant chapter in the series. It marks the return of the Undertaker, one of the most popular characters in the series. It also introduces a new threat to London, in the form of Claude Faustus.

The chapter is full of action and suspense. Ciel and Sebastian are outmatched by Claude, and it is only with the help of the Undertaker that they are able to defeat him. The chapter also reveals more about the Undertaker's past, and his motives for helping Ciel and Sebastian.

Black Butler 173 is a must-read for fans of the series. It is a thrilling and suspenseful chapter that will leave you on the edge of your seat.
