Bone Music: The Burning Girl is a novel by Kim Addonizio that tells the story of a young woman named Claire who is haunted by the death of her sister, Frankie. Frankie was a talented musician who died in a fire, and Claire has never been able to come to terms with her loss. Through music, Claire finds a way to connect with Frankie's spirit and to heal her own wounds.

## Plot Summary

The novel opens with Claire as a young girl, watching Frankie play the piano. Frankie is a natural talent, and Claire is in awe of her sister's ability to make music. As they grow older, the sisters become close, and Frankie becomes Claire's confidante. However, their relationship is cut short when Frankie dies in a fire. Claire is devastated by her sister's death, and she is

unable to move on with her life. She drops out of school, starts drinking heavily, and becomes estranged from her family.

One day, Claire hears a song on the radio that reminds her of Frankie. The song is called "Bone Music," and it is about a woman who is haunted by the ghost of her dead lover. Claire is drawn to the song, and she begins to listen to it over and over again. The song helps Claire to connect with Frankie's spirit, and she begins to heal her own wounds. Claire starts playing the piano again, and she finds that music is a way for her to express her grief and to remember Frankie.

As Claire begins to heal, she also begins to rebuild her life. She goes back to school, she gets a job, and she starts dating again. However, she never forgets Frankie, and she always keeps her sister's music close to her heart.
