Build Legacy is a new way to create a lasting legacy for your family. For as little as 5 cents per day, you can start building a legacy that will benefit your family for generations to come.

With Build Legacy, you can:

- Create a beautiful family website that tells your family's story
- Upload and share photos, videos, and documents
- Create a family tree that shows your family's history
- Invite family members to join and contribute to your legacy
- And much more!

Build Legacy is the perfect way to preserve your family's history and create a lasting legacy that your family will cherish for generations to come.

How It Works

Build Legacy is easy to use. Simply create a free account and start adding your family's information. You can upload photos, videos, and documents, and create a family tree that shows your family's history. You can also invite family members to join and contribute to your legacy.

Once you have created your legacy, you can share it with your family and friends. You can also print it out and create a beautiful family book that you can pass down to future generations.

Pricing

Build Legacy is free to use for the first 30 days. After that, there is a monthly fee of \$4.99. However, you can save money by purchasing a yearly subscription for \$49.99.

If you are not satisfied with Build Legacy, you can cancel your subscription at any time.

Testimonials

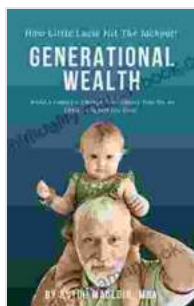

"Build Legacy is a wonderful way to preserve my family's history. I love being able to share photos, videos, and documents with my family and friends. I also love the ability to create a family tree that shows my family's history." - John Smith

"Build Legacy is the perfect way to create a lasting legacy for my family. I am so grateful for this service." - Jane Doe
